

About us

NIRA SURGICALS was established in the year of 2008. Our aims at providing world class ortho implants and instruments at the affordable cost. Designed in line with statutory and regulatory requirements, our range is widely acknowledged for highly sterilized, safe to use, corrosion proof, application specific design and reliability. We have constantly been updating Corporate also Nira Surgicals pvt ltd (Incorporation in 2019-2020) and same with our knowledge strength as well as technical strength for producing supreme range of the premium quality products in Ortho Implants and Instruments' segment.

Why Nira Surgicals

- Honesty
- Discipline
- Teamwork attitude
- Commitment to our principal
- Good after sales service
- Easily communicable and accessible

minutes of the details which have earned us laurels not only from our domestic network of customers but overseas as well and we strive each day in and day out that the highest standard is maintained throughout. Providing service at par is what we believe in and our official and marketing staff are always on their toes to render it any time asked for.

Participating in national and International Conferences, Exhibitions, Tenders, Government Hospitals and lots of such activities have strengthened us enough that we are confident in delivering the best to our customers as we learn a lot and not just stop there but infect implement on the new Designs, Services, Quality and Quantity based works, adapting to the latest technologies and introducing novel products wherein we hope to exceed customers satisfaction.

WHO , CE ,ISO,GMP Certified Company.
